On the above date and time I, Sgt. Faust, William was working as the Rover outside the chow halls. Inmate Proctor, Ronald from MHU 21, C tier wanted me to sign off on two pay to's for legal mail.

I informed him not at this time and I would handle it after chow was done. This was not good enough for him. Once he had the two items that need -ed to be sign off he went over to 24 control flap and place the items inside for the pod officer to do. I again removed the two letters and handed them back and told inmate Proctor that this was chow time and this matter would be handle after chow by me.

I ordered him to B Chow hall and he disregarded my order and walked into A Chow Hall to speak to the Lt. Barlow about his legal mail and the pay to's that needed to be signed off. Lt. Barlow told him this was not the time and that Sgt. Faust would handle this situation after chow.

Briefly after entering B Chow Hall inmate Proctor walked out to complain to the Lt. Barlow. I called building number 21 to have officer come up and return inmate Proctor to his cell.

Note: Inmate Proctor was given a feed in tray as per policy and his pay to's were taken care of by me after chow.

Inmate Proctor was notified he had a 24 hour L.O.A. P. for his above actions.
